Honorable Robert D. Drain
United States Bankruptcy Judge
United States Bankruptcy Court for the
Southern District of New York
One Bowling Green, Room 632
New York, NY 10004

Dear Judge Drain,

I disagree with, and object to the Thirty-Seventh Omnibus Claims Objection ruling that my Administrative Claim #17863, in the amount of \$289,538.39, based upon Pension, Benefit, and OPEB Claims be disallowed and expunged.

As proof for my disagreement, I offer the attached Court and Delphi documents, which I summarize as follows:

- 1) On February 4, 2009 your court adjudicated and recognized my claim (#16772) in the amount of \$289,538.39 (attached).
- 2) On February 5, 2009 Delphi Officers Messrs. Sherbin and Sheehan notified me by letter that 40% of my pension, in the form of SERP (Supplemental Executive Retirement Program) monthly payments would be terminated after March 14, 2009. However, in said letter (attached), fourth paragraph, last sentence, the Delphi Officers state emphatically that, **"Delphi's decision to stop SERP payments will not affect your settlement."** (my one time payment/claim of \$289,538.39, adjudicated as stated in #1 above)

I humbly ask that you redress this abdication of Delphi's documented and admitted responsibility.

Sincerely,

Robert E. Dettinger

ROBERT E DETTINGER

CLEVES, OH 45002-2323

Dear Robert:

When Delphi filed for bankruptcy protection in October 2005, it asked for and was granted an order from the Bankruptcy Court allowing it to continue making payment to retirees under the Supplemental Executive Retirement Program (the "SERP"). Although Delphi has always retained the unilateral authority to modify or terminate these discretionary payments, Delphi has continued these payments for the past three-and-a-half years. The economic climate during that time and the total enterprise value associated with Delphi's business plan provided a reasonable basis for that business decision.

As a company that is in bankruptcy, however, Delphi has a fiduciary duty to preserve the value of its assets and maximize recovery for all creditors. During the fourth quarter of 2008, the outlook for the global automotive industry took a dramatic turn for the worse, with volumes plummeting to the lowest levels in recent history. Given the changing and uncertain economic climate, Delphi's reasonable business judgment no longer supports the continued payment of discretionary benefit programs such as the SERP.

Accordingly, Delphi will terminate all SERP payments as of April 1, 2009. The SERP payment to be sent to you on March 14, 2009 will be the final payment made to you under the SERP. We know that this action will impose real hardship on you. However, our very recognition of such hardships, which motivated us to continue these discretionary payments in a more robust economic environment, regrettably provides no business justification or legal basis for Delphi to continue these payments in the current economic climate.

You have previously signed a settlement agreement and stipulation with Delphi settling the amount of your claim against Delphi for its obligations to you under the SERP. In addition, last month Delphi asked for and received an order from the Bankruptcy Court finalizing the settlement and allowing it for purposes of distribution under a plan of reorganization. Delphi's decision to stop the SERP payments will not affect your settlement.

Please feel free to call Debra Alexander at 248-813-2524, Steve Gebbia at 248-813-2493 or John DeMarco at 248-813-3016, if you have questions about this letter.

We will communicate any additional information regarding the SERP program as it becomes available.

Sincerely,
